### The Law of Attraction

The key to a fulfilling life can be found through the Law of Attraction, which states that like attracts like, and your inner vibration should be in harmony with your outer life reality. It is a law of resonance that makes everything in your life come true based on what you believe and can feel. Deeply rooted beliefs, assumptions, and values play a crucial role in this process. However, changing these requires a bit more 'work' than just imagination alone. I would be happy to show you how to change your deepest and subconscious beliefs to fulfill your desires, whether they are related to professional or personal matters.

Did you know that the Law of Attraction is also a central element in my online coaching course 'THE COURSE'? For over 25 years, I have been working as a personal development coach and mental coach, applying the Law of Attraction myself and successfully supporting my clients on their journey. In THE COURSE, you too will have space and support for your personal development and can benefit from the Law of Attraction. Step by step, I will show you how to take control of your life and shape it according to your needs and desires.

### Feedback

Working with Iris is not only always accompanied by fun, joy, and lots of laughter, but I also feel completely taken care of every time I'm with her. She takes what I bring and gets to the heart of the matter so quickly that in every session we've had together, profound insights have emerged. These are insights, experiences, and learnings that I have been able to work on incredibly well afterward, and they have always brought me immense progress.

That's why every coaching session with Iris is not just a pleasant reunion, but also a guarantee that I can continue afterward with greater clarity and a sense of order. I am extremely happy and grateful to have found Iris as a coach and can wholeheartedly recommend her to anyone who is courageous, eager, and willing to trust in themselves and dive into such a coaching process.

Thank you, dear Laura, for your kind words of praise!
