

# BUSINESS COACHING

with Iris Alheidt-Pehrisch

Unleash the full  
potential of your  
team!

## *Definition:*

As an experienced supervisor, I offer you and your company the opportunity to holistically analyze work processes and team structures and to optimize them strategically, with the goal of sustainably increasing the success of your company.

## *Goal:*

My goal is to support you in fostering a harmonious team environment, establishing smooth processes, and recognizing and effectively utilizing the individual strengths of your employees.

## My Approach

Every business is unique, and that's exactly what I base my work on. Together, we develop customized strategies that are specifically tailored to the needs and goals of your company. I place great value on transparent and respectful collaboration to ensure that changes are implemented successfully and sustainably.

## TimeWaver BIZ

The TimeWaver BIZ is a unique business and goal management system specifically developed for company analysis, leadership, and revenue optimization. It offers you an innovative and holistic approach that complements and expands traditional business consulting methods. With this system, you gain precise insights into the structures, processes, and potential of your company. The goal is to develop tailored solutions that optimize your business operations and enable sustainable success.

Use TimeWaver BIZ as your personal and holistic business consulting tool to take your company to the next level. I would be happy to advise you personally and introduce you to the many possibilities of this innovative system.

## Possible Applications of TimeWaver BIZ

**Business Management:** Risk Assessment / Crisis Management / Weakness Analysis / Project Development

**Sales:** Customer Acquisition / Customer Retention / Referral Management / Increasing Sales Figures

**Personnel:** Team Building / Personal Development / Motivation

**Marketing:** Market Analysis / Revenue Optimization / Market Positioning

**Finance:** Investment Decisions / Forecasting / Financial Planning

**Production:** Product Development / Production Processes / Quality Management

**Facilities:** Energy Optimization

€7,200.00 (payment in installments available)

## About me

I warmly invite you to a free and non-binding introductory meeting to discuss the details of a potential collaboration. This conversation provides us with the opportunity to clarify your ideas and goals and to develop a tailored approach.

Appointments are usually held online, offering you maximum flexibility. However, in-person meetings can also be arranged upon request. This option is available based on individual agreements.

If you decide to work with me, all further appointments will be tailored to your needs and scheduled flexibly. I look forward to getting to know you and your concerns!
