### Change – An Important Update Regarding Supervision

First of all, a big THANK YOU for your trust and the many appreciative messages about the supervision sessions. It truly moves me to see how much we can achieve together.

Due to increased demand and my continued commitment to offering each of you the usual depth, time, and individual support, I am adjusting my prices: Effective immediately, the 10-session card is €2,860 incl. VAT, and the annual pass is €13,710 incl. VAT.

As a thank-you to all my loyal clients – and to those who'd like to become one – I have a special offer: The 10-session card is still available at the current price of €1,875 until May 31, 2025.

### New Workshops Incoming

There's movement in the workshop calendar! We're currently updating all the dates – and starting tomorrow, exciting new workshops will gradually be released. Whether you've been working with me already or are completely new: the workshop calendar offers a wide range of inspiring topics. There's bound to be something interesting for everyone!

It's worth checking in regularly:

### Progress

I'm absolutely thrilled!

My very first article has been published – on the topic: "The Power of the Group – Why People Often Benefit More Quickly from Group Coaching Than from One-on-One Sessions." You'll find the article in the latest issue of *bewusster leben* – already available online at [bewusster-leben.de](http://bewusster-leben.de) and in stores starting May 6, 2025.
