About me

For more than 30 years, I, Iris Alheidt-Pehrisch, have been working in the field of coaching and offer exclusive groups through DER KURS the opportunity to not only learn from my work as a coach but also to benefit from each other.

All group calls and individual coaching sessions take place online via Zoom, so you can benefit from my services from anywhere in the world, including in English. I guarantee suitable appointments despite time zone differences and am happy to be flexible.

However, there is also the option to schedule in-person appointments with me if you prefer that. I kindly ask for your understanding, as this option is only available by individual arrangement. Thank you!
