# MT360 LED

REMOTE DRIVER

## Suspended. Cylindrical diffused LED light, with true 360° output of light.

### THE MT360 IS A NEW DESIGNED CYLINDRICAL LED FITTING.

This light gives you the ability to create lighting designs and beautiful features. This can be suspended horizontally or vertically. The distribution of light is 360° through its polycarbonate satin diffuser.

The light makes use of efficient LED technology offering switched or DALI dimming options for a controllable level of light output.

Widely used in the Theatre, TV, retail, events companies and entertainment industries.
