

Can you get a total hip replacement for \$19,880? Yes.

Epic Surgical Center in Murray, Utah provides high-quality surgical services for employees and fixed, transparent prices for employers. Epic surgeries are performed by hand-picked, board-certified, local surgeons who have performed these surgeries hundreds or thousands of times.

When you add Epic into your healthcare mix, you are getting certainty, transparency, and low prices.

Do you want to know how it's done? Call 801-290-6060 and our Chief Medical Officer will answer your questions.
